

M Purnachandra Tejashwini

Data Science Student — Second Year

PERSONAL DETAILS

Phone	8197472515
Mail	mpurna2006@gmail.com
Location	Ballari, Karnataka, India
GitHub	mpurna2006-lab
LinkedIn	M Poorna

CAREER OBJECTIVE

Motivated and enthusiastic Data Science student seeking opportunities to apply technical knowledge in software development and data science. Eager to learn new technologies, work on real-world projects, solve problems, and contribute effectively as a fresher.

EDUCATION

B.E. Computer Science and Engineering – Data Science

2025–Present

Ballari Institute of Technology & Management, Ballari

Currently pursuing undergraduate engineering degree with a specialization in Data Science.

Pre-University Course – Science

2023–2025

Completed PUC in Science with an overall percentage of 89%.

TECHNICAL SKILLS

Programming	C, C++, Java, Python
Web Technologies	HTML, CSS, JavaScript
Database	MySQL
Backend	Java, Spring Boot
Frontend	React.js
Tools	Git, GitHub, VS Code

PROJECTS

Gas leakage detection sensor

2025

Developed an Gas leakage detection sensor as a prototype and worked on it in the innovative lab and we got an expected results on our project .

Student Management System

2025

Developed a student management application to maintain and manage student information. Implemented features for adding, updating, deleting, and viewing student records using Java and MySQL.

Morse code Translator

2026

Developed a Python-based project to analyze and process data using Python programming concepts. Performed data handling, basic analysis, and generated meaningful insights from the available dataset.

INTERNSHIP

Advanced C Programming

2026

Completed internship training in Advanced C Programming. Gained practical knowledge of C programming concepts, problem solving, functions, arrays, pointers, structures, and file handling.

STRENGTHS

Quick Learner • Problem Solving • Teamwork • Adaptability • Patience • Dedicated to Work
